02 / ABOUT

The Man, The Myth...

Still working on the legend.

I am an ethically driven designer with a passion for the perfect solution, which I believe is often more user-centered than how many projects end up.

I run mostly on coffee, supplemented by Chipotle, and get excited about creative branding and clean typography. I love web design, UX logic, and good storytelling.

03 / HISTORY

Work & Education

04 / EXPERTISE

Skills & Talents

:: PRIMARY SOFTWARE

Photoshop

Illustrator

InDesign

// OTHER PROGRAMS

:: LANGUAGES / PLATFORMS

HTML / 5

CSS / 3

Javascript

Wordpress

:: CONCEPTUAL SKILLS

Branding

UI/UX

Layout

:: UNDERSTANDING EFFICIENCY

Ninja skills are great, but can only go so far without strategic application. Knowing how to work efficiently and tackle projects methodically means more deadlines met at higher standards.

// SIMPLE SUCCESS

DO YOUR RESEARCH
